OUR COMPANY

MicroLab Medical was established in 2017 by a dedicated group of professionals with a clear vision—to provide high-quality medical, scientific, and laboratory consumables and instruments with efficiency and excellence.

We offer a wide range of products, including plastic tubes, antimicrobial and antifungal susceptibility materials, diagnostic kits, and various laboratory consumables. Our comprehensive portfolio is sourced from trusted global manufacturers, ensuring reliability, accuracy, and consistent quality in every supply we deliver.

MISSION

Our mission is to Ensure that the products you supply meet or exceed industry standards for quality. This will help build trust and credibility with your customers. Strive to offer competitive pricing without compromising on quality. This will make your products attractive to healthcare institutions and other potential partners.

VISION

Our vision is to Provide excellent customer service to build long-lasting relationships with your clients. Respond to inquiries promptly, provide accurate information, and offer assistance in selecting the right supplies for their needs.
